## Box Tops For Education

We are collecting box tops again this year! Last year, Clay Kinnison won \$50.00 worth of gift cards and the 3rd and 4th grade class won a pizza party. We also did a few flash prizes throughout the year. Ryott Simmonds won a \$5.00 gift card to subway and Bailey Loyd won a \$5.00 gift card to Cold Stone Creamery.

This year, the big prize at the end of the year for JH/HS will be a \$50.00 gift card to Buffalo Wild Wings. Elementary students can win an ice cream or pizza party for their class! We will be giving flash prizes out again this year so be sure to get your box tops in! If you don't know a student at the school, you can still donate! Just drop them off in the office.

### TESTING NOTES

- Parents of third through ninth graders and of eleventh graders should have received the results of the CMAS (Science) and PARCC (English Language Arts and Math) Tests that their students took last spring.
- Parents of sophomores who took the PSAT10 Test and parents of juniors who took the SAT Test last spring should also have received those results.
- Our spring testing window for the next state tests (PARCC and CMAS) for Grades 3 through 8 and Grade 11 will be April 9th through April 27<sup>th</sup>.
- The Colorado Department of Education has decided to take the freshmen out of the PARCC/CMAS Tests this year; they will take the PSAT instead. The tests for sophomores and juniors will be the same as last year - the PSAT 10 Test for the sophomores and the SAT Test for the juniors. All of these tests will take place in April. Please note - a good practice website for the PSAT and SAT Tests can be accessed at [khanacademy.org](http://khanacademy.org)
- On Wednesday, September 20<sup>th</sup>, the juniors will take the ASVAB Test which is part of a career exploration program.
- You can find more specifics by going to the school's homepage and clicking on the District Assessment Calendar. If you have questions about testing, please get in touch with me at the school. Thanks!
