

PAWNEE SCHOOL NEWSLETTER

December 2017

Pawnee School District would like to extend a very special thank-you to our supporters in the recent election which resulted in the passing of the Mill Levy Override! This will allow the district to keep up with the things we need to do for our students and offset the cuts in the state funding for schools. **THANK YOU!!!!**

The Pawnee School Library is pleased to announce it has received a grant in the amount of \$3500 from the Colorado State Library through the State Grants to Libraries Act. Funds will be used to purchase materials that will update our library collection.

The State Grants to Libraries was funded by the Colorado Legislature to help increase access to early literacy and educational materials. This non-competitive program administered by the Colorado State Library funded a combined total of 316 public libraries, academic libraries, and school districts this 2017-2018 fiscal year. "We are pleased to provide additional funds for new resources in schools and libraries across the state," said State Librarian and Assistant Commissioner, Eugene Hainer. "The \$2.5 million appropriation in the state budget this year demonstrates a commitment to literacy and libraries by Colorado's elected leaders."
