## TESTING NOTES

Parents of last year's third through eighth graders and of eleventh graders should have received in the mail the results of the CMAS Tests that their students took last spring.

Parents of last year's freshmen who took the PSAT9 Test, sophomores who took the PSAT10 Test, and juniors who took the SAT Test should also have received those results. CMAS and PSAT/SAT tests for the groups mentioned above will again take place next April. Once we get the final schedule from the Colorado Department of Education, the District Assessment Calendar on the school's homepage will be updated. Stay tuned... Please note - a good practice website for the PSAT and SAT Tests can be accessed at [khanacademy.org](http://khanacademy.org). On Thursday, September 20<sup>th</sup>, the juniors will take the ASVAB Test which is part of a career exploration program. If you have questions about testing, please get in touch with me at the school.

Thanks!

Cindy Franks

District Assessment Coordinator
